

Sobolo drink.

Ingredients.

- 2 cups dried hibiscus petals
- 2 liters water
- 1 fresh ginger root (sliced)
- 2 cinnamon sticks
- 4 cloves
- Pineapple peels (optional)
- ½ cup sugar or honey (adjust to taste)
- Ice cubes
- Lemon slices (optional)

Equipment

- Large cooking pot
- Fine sieve or strainer
- Wooden spoon
- Measuring cup
- Pitcher or jug
- Knife
- Chopping board
- Refrigerator.

Instructions:

- Rinse the hibiscus petals thoroughly.
- Pour the water into a large pot.
- Add the hibiscus petals, ginger, cinnamon, cloves, and pineapple peels.
- Bring to a boil.
- Reduce the heat and simmer for about 20 minutes.
- Remove from the heat and allow the drink to cool slightly.
- Strain the liquid into a clean pitcher.
- Stir in the sugar or honey until dissolved.
- Refrigerate until chilled.
- Serve over ice with a slice of lemon if desired.

Preparation Tips.

- 🌺 Rinse the hibiscus petals well before boiling.
- 🧡 Fresh ginger gives the drink a stronger, fresher flavor.
- 🍍 Pineapple peels add a natural fruity sweetness.
- ❄️ Chill the drink for several hours before serving for the best taste.
- 🍯 Add sugar or honey gradually so you can adjust the sweetness to your liking.

? Frequently Asked Questions

-Can I drink Sobolo without sugar?

Yes. You can enjoy it unsweetened or use natural sweeteners like honey if preferred.

-How long does Sobolo last?

When refrigerated in a sealed container, it usually stays fresh for about three to five days.

-Can I serve Sobolo warm?

Yes. Although it's commonly served cold, it can also be enjoyed warm, especially on cooler days.

-Can I add other fruits?

Certainly! Many people add pineapple, oranges, cloves, cinnamon, or mint leaves to create different flavors.
